Address Orders to J. J. H. Gregory & Son, Marblehead, Mass.

Unique Gregory Records

A. F. Learoyd, Danvers, raised 180 bushels of Bountiful Beans from 1 bushel of seed—as stated by his son, July 18, 1914.

DEAR SIR: From one-half peck Knowles' Big Cropper Potatoes I dug 225 pounds, planted them June 10 and dug October 7, one hill of 7 tubers weighing $5\frac{1}{2}$ pounds, one tuber weighing 30 ounces. Planted on new ground and no manure except ashes from burning brush.

JOHN H. SPICER,
Buell, Oregon.

In 1913 from one bushel Gregory's Excelsior Peas I sold \$110 worth. In 1914 from one bushel of Gregory's Excelsior Peas I sold \$150 worth. My brother and I picked 40 bushels in two days. They were sold during Fourth of July week.

GEORGE A. GOULD,
Boxford, Mass.

DEAR SIR: I planted one bushel Early Morn Peas, and harvested 90 bushels and sold them for \$2.50 to \$3.00 a bushel.

JOHN H. BURRIDGE,
Marblehead, Mass.

DEAR SIR: On nine rods of ground I raised 1,150 pounds of your Symmes Blue Hubbard Squash, three squashes weighing 90 pounds. I took first premium at the fair.

A. J. KIMBALL,
Willimantic, Conn.

DEAR SIR: The Paris Golden Celery seed I received of you last season was the finest I ever raised.

ED WELCH,
Clyde, Iowa.

DEAR SIR: I am writing to you to express my thanks for the returns which I have received from sowing your seeds. The All Seasons Cabbage, not a single plant failed to head, and some of them weighed 15 pounds. The Delicious Squash, I think, stands at the head of all the squash family for richness and fine flavor.

J. H. SMITH,
Larrimore, North Dakota.
